special Child

Muhammad, Muhammad a special child was he.
 Something different deep inside that everyone could see.
 Muhammad, Muhammad a special child was he.
 But no one dreamed that someday soon
 God's Prophet he would be.

1. Muhammad loved to be outside and watch the sheep all day.
 He loved to see them run about and jump and frisk and play.
 Muhammad looked up to the sky, "Who made all this?" thought he.
 "Who made the earth, the sun, the moon, the sheep and even me?"

2. One day as he sat in the sun two men in white appeared.
 They laid Muhammad on the ground with them he felt no fear.
 The two men opened up his chest and washed his heart so small.
 Then closed him up like new again and left him standing tall.

3. And from this day his heart and soul became so pure and clean.
 A Prophet in the making now to teach us Allah's Deen.
 An act unkind or deed that's bad Muhammad could not do.
 And every word from this day on he'd ever say was true.

4. Not merely men but angels these that day out in the field.
 To make Muhammad ready for Qur'an to be revealed.
 This way of life called *Al Islam* would need a special soul.
 To show us how to be the best would be Muhammad's role.

But one day soon the world would know
 God's Prophet he would be!
